JENEsys™snap! Controllers			
 <p>snap! Controllers</p>	JENEsys™ snap1	Includes JENE-PC1064 Controller with Software for the JENEsys™ snap! Automated Appliance. Includes the automated appliance for 1 thermostats controlling HVAC equipment. Power supply is included. The thermostats are not included, they must be purchased seperately to match the HVAC equipement to be controlled (do not exceed 1 thermostat, see the selections below).	\$ 2,807.60
	JENEsys™ snap3	Includes JENE-PC1064 Controller with Software for the JENEsys™ snap! Automated Appliance. Includes the automated appliance for 2-3 thermostats controlling HVAC equipment. Power supply is included. The thermostats are not included, they must be purchased seperately to match the HVAC equipement to be controlled (do not exceed 3 thermostat, see the selections below).	\$ 3,495.29
	JENEsys™ snap10	Includes JENE-PC1128 Controller with Software for the JENEsys™ snap! Automated Appliance. Includes the automated appliance for 4 to 10 thermostats controlling HVAC equipment. Power supply is included. The thermostats are not included, they must be purchased seperately to match the HVAC equipement to be controlled (do not exceed 10 thermostats, see the selections below).	\$ 5,749.54
	JENEsys™ snap20	Includes JENE-PC1128 Controller with Software for the JENEsys™ snap! Automated Appliance. Includes the automated appliance for 11 to 20 thermostats controlling HVAC equipment. Power supply is included. The thermostats are not included, they must be purchased seperately to match the HVAC equipement to be controlled (do not exceed 20 thermostats, see the selections below).	\$ 7,665.66
	JENEsys™ snap50	Includes JENE-PC6256 Controller with Software for the JENEstat Automated Appliance. Includes the automated JENEstat appliance for 21 to 50 thermostats controlling HVAC equipment. Power supply is included. The thermostats are not included, they must be purchased seperately to match the HVAC equipement to be controlled (do not exceed 50 thermostats, see the selections below).	\$ 12,527.70
	JENEsys™ snap100	Includes JENE-PC6256 Controller with Software for the JENEstat Automated Appliance. Includes the automated JENEstat appliance for 51 to 100 thermostats controlling HVAC equipment. Power supply is included. The thermostats are not included, they must be purchased seperately to match the HVAC equipement to be controlled (do not exceed 100 thermostats, see the selections below).	\$ 14,863.53
Snap Demo Case	SNAP-DEMO-CASE	Travel Demo Case - JENEsys™ snap controll with (3) 2H/2C Thermostats and power supply	\$ 8,125.00
Snap Offline	SNAP-PRO-DEMO	Profiled ProBuilder license for JENEsys™snap! from Tridium (this is the kit part)	\$ 1,354.17
JENEsys™snap! BACnet MS/TP Thermostats			
Thermostats	VT7600B1020B	Up to 2 stages heat and 2 stages of cooling w/o economizer	\$ 631.68
	VT7600H1020B	Up to 3 stages heat and 2 stages of cooling for Heat Pump w/o economizer	\$ 631.68
	VT7605B1020B	Up to 2 stages heat and 2 stages of cooling with economizer	\$ 705.78

JENEsys™	Part Number	Part Description	List Price
JENEsys™snap! Hardware Options			
Optional Sensors	A/CP-R	Remote Space Temperature Sensor	\$ 45.00
	A/CP-O	Outside Air Temperature Sensor	\$ 90.00
	A/CP-DO4"	Supply Air Temperature Sensor (4" Probe)	\$ 50.00
	A/CP-DO8"	Supply Air Temperature Sensor (8" Probe)	\$ 50.00
	A/CP-A8'	Mixed Air Temperature Sensor (8ft)	\$ 315.00
	A/CP-A12'	Mixed Air Temperature Sensor (12ft)	\$ 350.00
	A/CP-A24'	Mixed Air Temperature Sensor (24ft)	\$ 425.00
Power Supplies	JENE-PC-WWPM-120	JENE- PC1000/6000 Series Wall Power Module 120Vac, 60Hz (Wal-Wart)	\$ 144.00
	JENE-PC-WWPM-230	JENE- PC1000/6000 Series Wall Power Module 230Vac, 60Hz (Wal-Wart)	\$ 144.00
	JENE-PC-BPPM	JENE- PC1000/6000 Series Battery Power Pack	\$ 144.00
Comms and Bus	DIFAR44	RS485 <=> RS485 Dual Isolated auto repeater with terminal strip & edge mounted LED indica	\$ 1,765.00
	TE100-S5	Ethernet Switch 10/100Mbps Fast Ethernet Switch 5 x J45 1K MAC Address	\$ 194.30
	JENE-PC-MODEMCARD	JENE-PC1000/6000 Series 56Kbps Modem Communication Module Card	\$ 760.32
Panel & Parts	TS 35X7.5/LL9"	JENE only, 9" Din Rail, type NS35/7.5 (35nnx7.5mm)	\$ 45.00
	FM4	DIN rail end-clips	\$ 30.00
	snapPanel16x12	NEMA 1 Panel for JENEsys™snap! controller, w/power, breaker, ground and duplex receptical	\$ 1,050.00
	10140	Weidmuller 3-position straight connector	\$ 15.83
